to ALL PRESENTERS & CONTRIBUTORS on air Statement of Presenter - 'On Air' agreement.

We the trustees of Summer Conference Fellowship Trust (Charity No. 293590) having discussed our responsibility regards the style of music and general content have agreed with the director of New Life Radio Mr Mike Coles who is also a trustee of the conference that all contributors must read, understand and sign the statement at the end of the guidelines.

The Government Licensing Office (OFCOM) monitor all the content of the broadcasts, and if any level of complaint is made by any member of the public we have to respond and present a recording of that particular part of the programme. If it is found that the complaint has validity it could jeopardise any future licensing. All our broadcast is digitally recorded and OFCOM can request copy of any programme.

OFCOM's requirements are that we must not broadcast what could be critical, offensive or patronizing to:

Any person, race, organisation, government or religion. We add the following:

- 1 If you plan to have a quiz with reward, this must be discussed with Mike Coles before any announcements are made.
- 2 No 'Christian hard rock music' to be played.
- 3 Jokes that have double meaning.

We do want to continue being granted a licence in the future and for this reason we wish to abide to the OFCOM BROADCASTING CODE.

The document is very long and contains many chapters, it can be found at www.ofcom.org.uk/radio then go to 'Information for Industry' then Programme Information/codes. A sub page of this link referring to Principles, Rules & meaning of a 'religious programme' can be found at <http://www.ofcom.org.uk/tv/ifi/codes/bcode/religion>
